

Guardian Angel

SELF DEFENSE SERIES

Stop Threats at a Distance

- Guardian Angel II's ergonomic grip provides a perfect grip for almost any size hand.
- The game-changing design is disposable and economical.
- The pepper solution itself is the most powerfully concentrated version on the market.
- Because it's not pressurized like an aerosol spray, there is no way it can lose pressure over time.
- You and your loved ones will rest easier knowing Guardian Angel II is there if you need it.
- It eliminates the well-known shortcomings of traditional aerosol sprays.
- It also offers a full three-years shelf life, and it will be just as effective years from now as it is today.
- Two highly concentrated pepper solution charges give you a second shot.
- A single hit to the face from Guardian Angel II will disable an attacker for up to 45 minutes.
